Subject: RADIOACTIVE MATERIALS ESCORT ISSUE PAPER

Attached you will find a memo from Commercial Vehicle Section (CVS) concerning escort/security of radioactive shipments. Given the volume of increase expected of these shipments in the years ahead, I believe CVS's memo is both timely and insightful. I look forward to implementing your decision on this matter. If you have any questions please do not hesitate to contact me, or Captain Andrew Jones in CVS at (916) 445-1865.
